The screenshot displays the homepage of HousingRentals. At the top, there's a navigation bar with links for Home, Browse, and Login. Below the header is a large banner with the text "Find Your Perfect Home" and a subtext: "Discover luxury apartments, cozy homes, and modern villas for rent in your favorite locations." A search bar is centered on the banner, featuring fields for Location (e.g., Los Angeles) and Property Type, along with a "Search" button. The main content area below the banner is titled "Featured Properties" and includes three property cards: "Luxury Downtown Apartment" (Downtown, Los Angeles), "Modern Villa with Pool" (Beverly Hills, CA), and "Cozy Garden Cottage" (Portland, OR). Each card shows a thumbnail image, price (\$3500/mo, \$8500/mo, \$2200/mo), and a "Rent Now" button. The footer contains the HousingRentals logo, quick links (Home, Browse Properties, Agents, About Us, Contact), property types (Apartments, Villas, Houses, Condos, Studios), and contact information (Address: 123 Real Estate Blvd, Suite 100, Beverly Hills, CA 90210, Phone: +1 (555) 123-4567, Email: info@housingrentals.com).
